NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, I, Mark D. Peterson, have sold, assigned, and transferred, and do hereby sell, assign, and transfer, to InFocus Corporation, its successors and assigns, the full and exclusive right to the invention in the United States and its territorial possessions and in all foreign countries, and the entire right, title, and interest in and to any and all Letters Patent that may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, continuations, reissues, substitutions, and extensions thereof.

I hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to InFocus Corporation, as the assignee of my entire right, title, and interest in and to the same, for the sole use of InFocus Corporation, and its successors and assigns.
